Did I mention earlier, Auto-Debit IS more secure? *[Well, I'll let you in on a little-known secret... every time you write a check, with all those little numbers @ the bottom, name, address, etc... at the top, you have just released the VERY SAME INFORMATION, only now that little check (with all your information on it) is passing thru many hands who now have access to the very information you are holding onto so tightly! And another little tidbit...when you present a check to any merchant (such as Wally World), who scans it in that little machine thingy, they have just Auto-Debited your account!! Who knew??]*

1. And the #1 reason to sign up for Auto-Debit ...No added cost for the service, actually **you save \$5** on each month's tuition when you sign up for auto-debit from your checking or savings account thru your bank or credit union. *Save? I like to save!!*
